Hey Corbin,

Yes, definitely saw the EJ grant announcement, would you have a few minutes today or Monday to talk about it? We are trying to figure out what projects may be applicable for funding. I could talk after 2:30 today or any time Monday morning

Thanks!

Hi Alex,

Just checking in on a few things:

- The EJ grant program for states (and others) is out (see my e-mail from earlier today). It looks quite a bit different than originally anticipated. Richard Coffin in the Air Division responded to my e-mail blast indicating that CDPHE may apply...
- VB/I70 CAG – During a recent internal meeting about the CAG, the topic of CDPHE's plans for broader GES community engagement came up. Do you have any update that you can share?

Thanks,

Corbin
